RE: RESEARCH AFFILIATION

I have received your request seeking affiliation to the National Museums of Kenya to undertake research under the project [REDACTED]. I am pleased to inform you that you have been offered affiliation with the NMK. You will be affiliated with the Palynology Section, Earth Sciences Department upon payment of US\$200 affiliation fees to the NMK's Accounts Department. This affiliation will be for a period of **ONE year (1) from January 15th 2014 to January 14th, 2015**. During this period you will be expected to conform to all institutional requirements as far as affiliation, use of facilities and collections is concerned. You will also be expected to forward to my office through the Head of Earth Sciences Department any reports and scientific publications on your present and future activities.

This research affiliation does not exonerate you from abiding to other research regulations including Research Permits and immigration requirements. NMK shall not be held responsible for blame resulting from failure to fulfill these requirements as per the prevailing international and Kenyan research and immigration laws.

Yours sincerely,

[REDACTED]
